

Dear Residents and Business Owners,

For eight days in May, California will again be the backdrop of what promises to be one of the most exciting sporting events in the world of professional cycling. Beginning in Nevada City on May 16th and concluding with a grueling circuit race in the Conejo Valley on Sunday, May 23rd, the 2010 Amgen Tour of California cycling road race will be a thrill to watch. Much like the annual Tour de France, 16 of the world's best professional teams will be racing over a statewide course of more than 850 miles.

Whether or not you are already a fan of road racing, we can guarantee that lining the streets to view the best cyclists in the world race against each other and the clock will truly be an exciting and unforgettable experience. Stage Eight, the final day of the race, will start in Thousand Oaks at The Oaks shopping center and finish on Townsgate Road in front of the Westlake Hyatt.
